Background to Amendment to Articles

To build better business outcomes, business analysis professionals have to work with professionals in many other disciplines. International Institute of Business Analysis (“IIBA”) is working to increase awareness of the value of business analysis with other professional associations and interested organizations. To help educate other professionals, IIBA is partnering with other groups and would like to offer them an “affiliate membership” in IIBA. This will result in IIBA having two types of members: ordinary members and affiliate members. Ordinary members would have the right to vote at meetings. Affiliate members would not have the right to vote (except in certain limited situations under applicable law) and will receive limited benefits with their membership, such as access to training and educational materials. Such benefits will be determined by the board of directors from time to time and which may vary depending on the partnering relationship.

In order to create a new class of membership, it is necessary for the Corporation to amend its articles of continuance. To effect the changes as necessary to create two membership categories, the Corporation needs to prepare and file restated articles of incorporation. Once the restated articles of incorporation are filed with and approved by Industry Canada, IIBA will have two classes of members: ordinary members and affiliate members.

Background to amendments to Bylaws

Bylaw Number Six of the Corporation needs to be amended to reflect the creation of the new membership class and to clarify the rights of each membership class. For each of convenience and to make the Bylaws more user-friendly, the Corporation wishes to pass Bylaw Number Seven to replace Bylaw Number Six. Attached to this Notice is a blacklined copy showing the proposed changes to be effected by Bylaw Number Seven.

DATED May 12, 2017.

BY ORDER OF THE BOARD OF DIRECTORS.

IIBA Governance

IIBA governance is subject to the *Canada Not-for-Profit Corporations Act, S.C. 2009, c. 23* (the “Act”); *Form 4031: Articles of Continuance (transition)* (the “Articles”) and IIBA Bylaw Number Six. Our Bylaw requires a General Meeting (AGM) of Members to be convened on an annual basis.

The purpose of the AGM is to:

- report the activities of the association;
- ask for ratification of resolutions requiring Membership support;
- elect directors for open positions on the IIBA Board of Directors, during election years;
- present to the Members the audited financial statements for the prior fiscal year; and,
- ask for Member support by ratifying the Board’s recommended Auditor appointment.

The Act requires the AGM to be held within six months of the end of the completed financial year. The last IIBA AGM was held on May 17, 2016. The last full financial year was completed on December 31, 2016, and this AGM will occur on June 5, 2017 within the prescribed six-month period.

AGM Process

A Membership vote is held following the AGM for 48 hours (to allow Members to login at a convenient time and place based on the member’s location in the world). Various questions are provided to the Membership for ratification (described in this Notice and discussed at the AGM itself). Each vote is anonymous. Membership in IIBA allows each Member one vote for each question on the ballot.

How Board Resolutions Influence the IIBA Bylaw

IIBA Bylaws gives the Board the power to act on behalf of our Members and describes how the organization will be managed.

All decisions that result in a vote by the Board Members are called “resolutions”. Discussions are held at regular Board meetings and decisions occur at many points during the year. For a resolution to pass, a prescribed “quorum” of Board Members must approve the decision. Through the year, specific resolutions that require Membership endorsement are tracked to be brought to the Membership for ratification at the AGM. Urgent resolutions can be managed through a special meeting of Members, if required.

Some decisions are operational in nature and do not need Member ratification (e.g. advertising sold to corporate sponsors only; sending a “thank you” to volunteers; decisions related to trademarks).

Other decisions such as changes to the objects of the corporation would require Member’s approval.

At the AGM, Members will be asked to vote on the following five resolutions.

Resolution 2017-01

2017-01 – The Members approve the minutes from the Annual Meeting of Members held on May 17, 2016.

Resolution 2017-02

2017-03 - The Member confirm receipt of the Audited Financial Statements for fiscal year ended December 31, 2016 together with the Auditor’s Report as presented.

Resolution 2017-03

2017-02 – The Members approve the selection of ***Grant Thornton*** as Auditors for the fiscal year 2017.

Resolution 2017-04

The Members approve the special resolution in the form attached hereto as Schedule A, approving the restated articles of incorporation of the Corporation under the *Canada Not-for-profit Corporations Act* (the “**Act**”) and the transactions contemplated thereby (the “**Articles of Amendment Resolution**”)
