

How can you create an environment where team members will have opportunities to learn about each other and begin to build relationships?

1. What is important to your team? How does your team “score”?

2. How can you improve communications on your team?

3. What are some ways your team members can grow together?

4. Have you ever worked on a Dream Team? Explain why that team was a Dream Team.

5. Is your current team a Dream Team? If not, what would it take to become a Dream Team?
