

### Ask yourself:

1. What does your organization need?
2. Who are the people already in your organization that are available?
3. Who is able to serve?
4. Who is willing to serve?
5. Who can get things done?

### Assessment of Potential Leadership Checklist:

- Person has influence
- Person has self-discipline
- The person has a good track record
- The person has strong people skills
- The person can solve problems well
- The person has the ability to handle stress
- The person displays a positive spirit
- The person is free of personal problems
- The person is willing to take responsibility
- The person is willing to admit when they are wrong
- The person is open to feedback
- The person has integrity
- The person is accepted as a leader by others
- The person has a manner that draws people

Use this worksheet to assess not only potential leaders, but also yourself!
