

IIBA Career Centre Quick Facts

Information about the IIBA Career Centre for Employers and Job Seekers.

Employers

Reach qualified candidates by marketing to IIBA membership and the BA Community. Reach additional candidates through traditional search engines (jobs will appear on wwwIndeed.com & wwwSimplyHired.com)

- Job details will include multiple branding opportunities:
 - Company profile
 - View all job listings
 - Company logo
 - Link to company website
- Easy-to-use registration and job posting admin tool.
- Complimentary access to a résumé database of qualified business analysis professionals.
- Contribute to your chapter's growth – local chapters receive a share of all revenue.

Job Posting Statistics

The average job* is:

- Viewed **400** times
- Gets **over 14** “Apply” clicks
- Receives **approximately 5** finished applications
- Is included in over 151 Job Agent Emails

**Statistics represent average activity from jobs posted January 01, 2013 – March 31, 2013*

Pricing

Package	Price

Job Seekers

- Search for and apply to local, *business analyst* positions. No sifting through false hits!
- Let employers find you. Market yourself by posting a résumé, professional profile, and portfolio of work.
- Store versions of your résumé, cover letters, and contact information.
- Set-up job alerts to be emailed when new jobs are posted.
