Regardless of your staffing needs IIBA's Career Center has multiple recruitment products available that are right for your organization. If you are an employer and an IIBA program member, you can post your open business analysis positions on the job board for free. All job postings get indexed by Google offering additional exposure outside of career center visitors.

The best way to reach business analysis job seekers

Place your open positions where highly qualified business analysis professionals go to advance their careers. Target candidates with ease by utilizing the following multi-channel approach:

Job Flash™ Email

Our most effective recruitment channel that emails your job directly to the inboxes of thousands of members and registered job seekers.

Job Posting Upgrades

Premier location on the job board homepage, highlighted job remains at the top of search results, and the job is distributed to a network of more than 1,000 recruitment sites or sites that are marketed specifically to attract diverse and/or veteran candidates.

Resume Bank Access

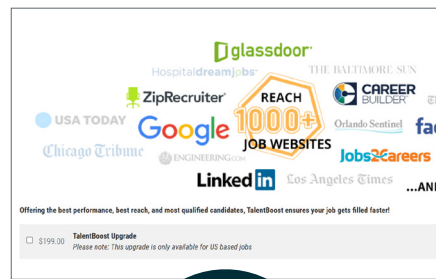

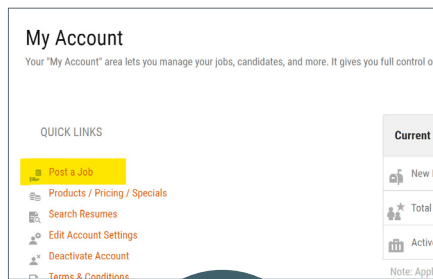

Search, find, and contact the most qualified and relevant candidate for your open position.

Detailed company profile and logo upload

If hiring qualified talent is a top priority for your company, having a complete company profile with a logo can promote your brand. IIBA's Career Center offers detailed company profile generation and logo upload capabilities to employers for FREE. With this, job seekers can look for relevant information about your company without leaving the job board.
