

# Agile Extension to the BABOK® Guide

Strategy. Initiative. Delivery.

Developed in collaboration with the **Agile Alliance**, the *Agile Extension to the BABOK® Guide* provides guidance in leveraging effective agile business analysis to create better business outcomes that add real business and customer value.

**This guide covers the benefits, activities, tasks, skills, and practices required for effective agile business analysis with a constant focus on delivering business value, including the following:**

- The agile mindset and agile business analysis beyond software development.
- Introduces a 3-tier rolling planning model to help organizations, teams, and practitioners deliver greater business value.
- Incorporates the Business Analysis Core Concept Model (BACCM).
- Details the seven principles of agile business analysis.

## AVAILABLE FORMATS
