# Stakeholder Engagement

# Enhanced Certification Program

## Key Principles

Provide support for complete career progression

Map competency-based learning objectives to support career progression

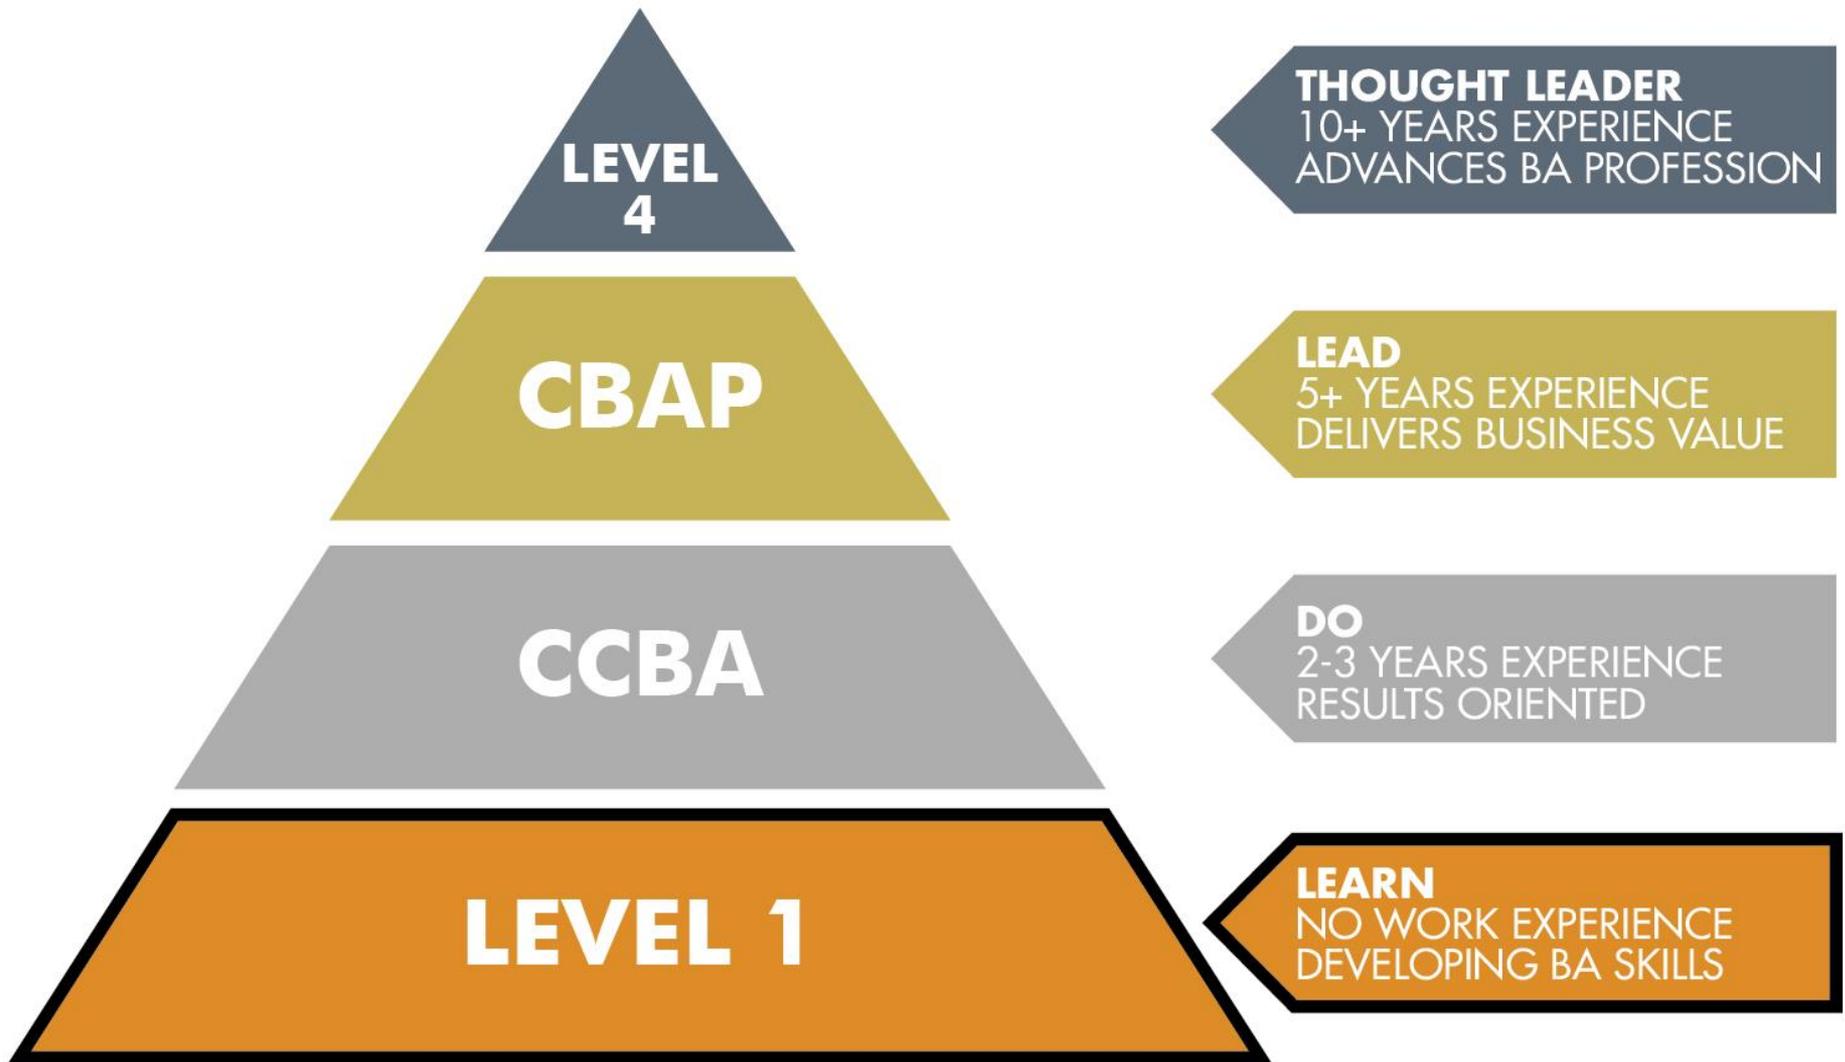

Develop a flexible certification framework that allows alignment with others

Capitalize on the CBAP® brand as the recognized global gold standard for BA Professionals

Leverage the “voice of the customer” to help us develop effective and efficient processes

Engage our Community every step of the way to help us redesign our Certification Program

# 4 Level Certification Framework

# Level 1 Audience & Assessment

## TARGET AUDIENCE

- Entry level
- Those changing careers
- New graduates
- Functional managers
  - who are not BAs
  - but manage them
- Those interested in BA
- Off-the-shelf trainers

## ASSESSMENT

- Knowledge-based examination
  - Basic multiple choice questions testing knowledge

# Level 1 Learning Objectives

1

- Developed Level 1 competencies and proficiencies

2

- Reviewed proposed competencies and assigned proficiencies with stakeholders

3

- Finalized competencies and proficiencies based on input provided

4

- Created Learning Objectives based on final competencies and proficiencies

5

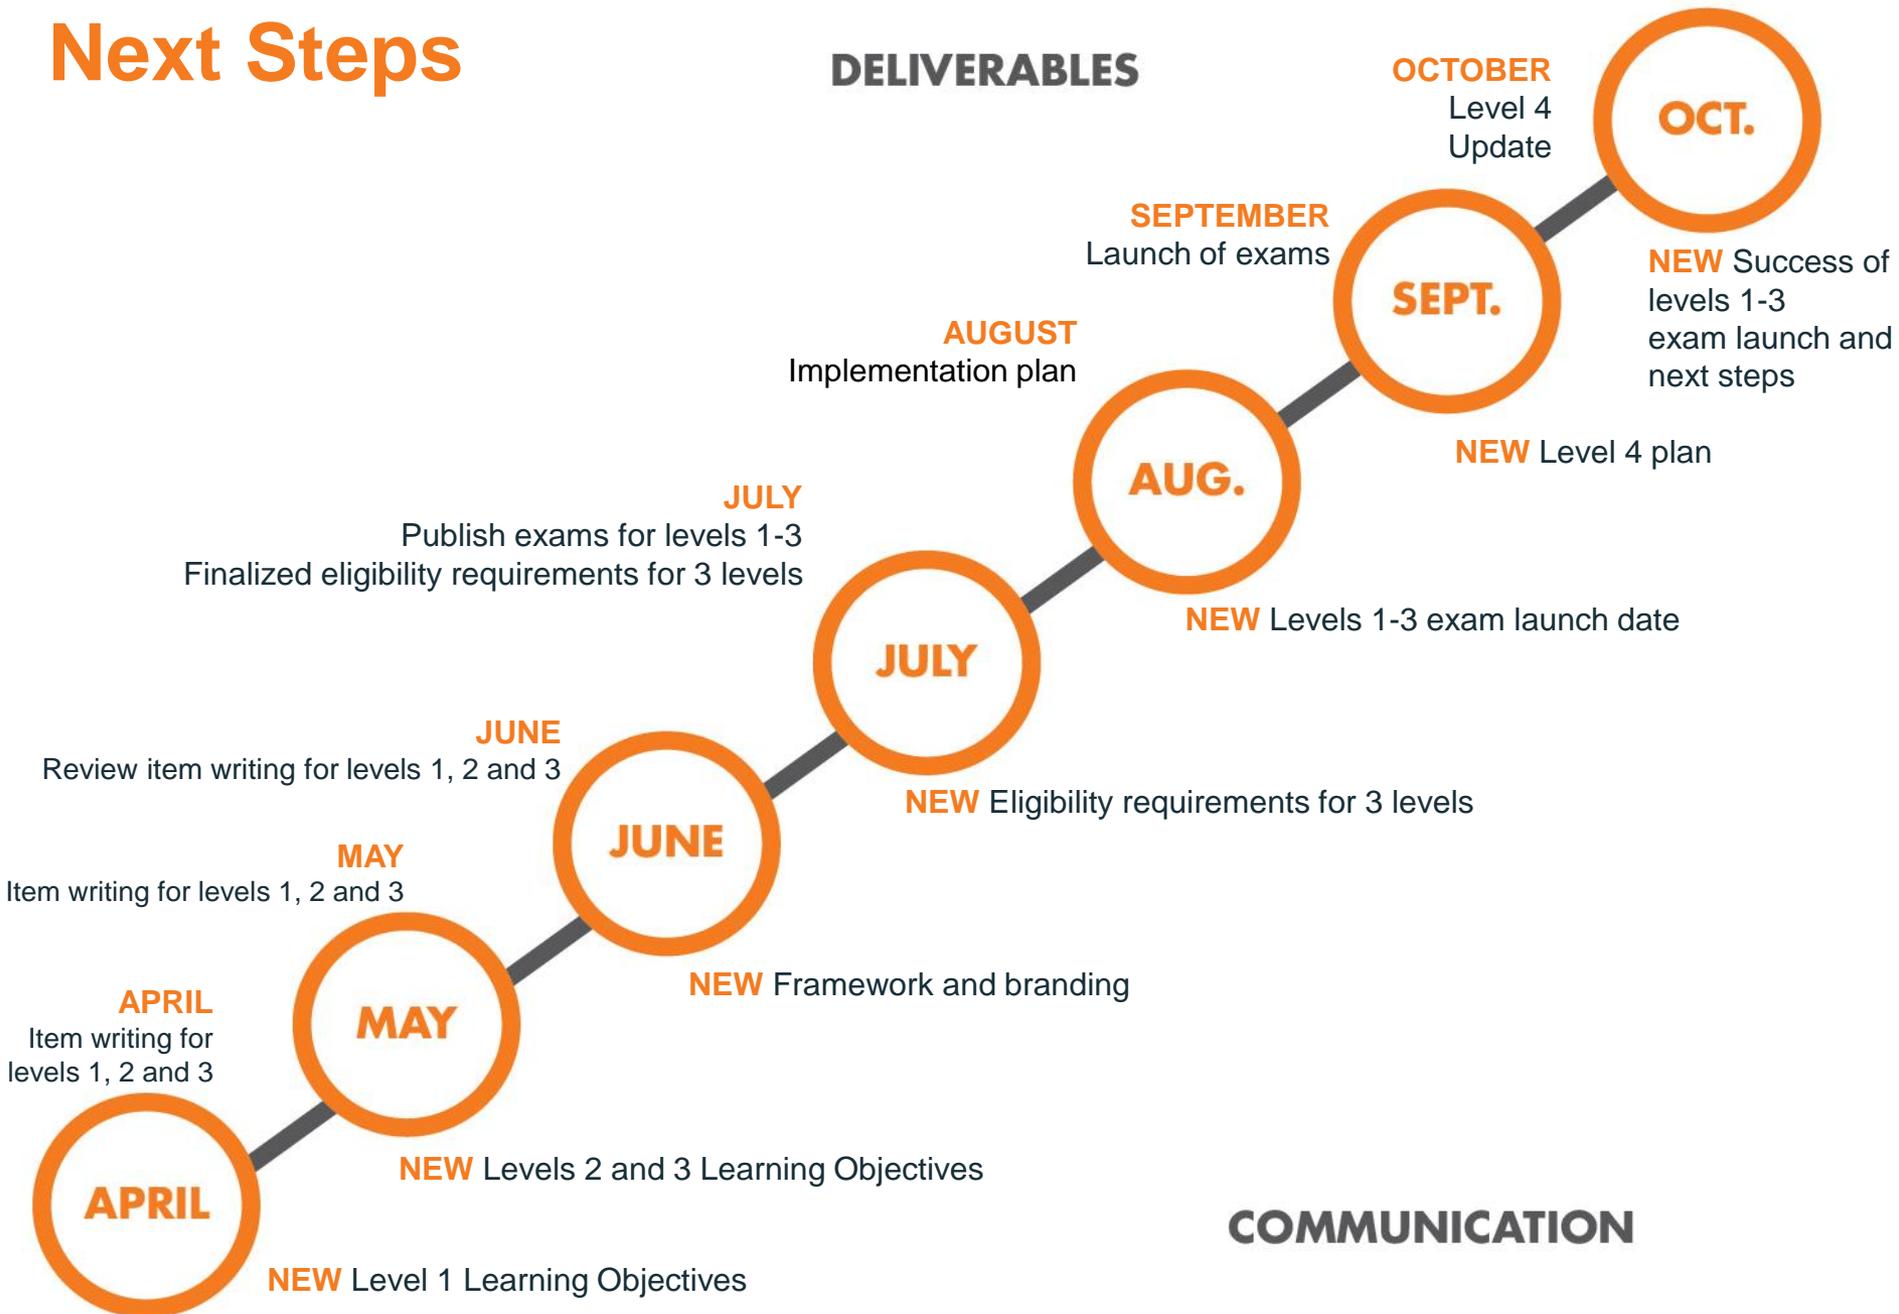

- April – communicate learning objectives to stakeholders post webinar

# Level 1 Learning Objectives

1	<ul style="list-style-type: none"><li>• Developed Level 1 competencies and proficiencies</li></ul>	Industry Best Practices
